

this program is **AWESOME**

Lil Kids Lax was the perfect environment to introduce my 3 year-old son to lacrosse and organized sports. It was great for him to be around kids his age and learn the basic fundamental skills within a structured curriculum. My son is finishing his 3rd session at the Eisenhower Park location and his skills have improved a lot since we started. More importantly, he has never left one of the practices without a smile.

FUN
FUN

Absolutely love this program. Excellent introduction to lacrosse for little players! My son tried it and then signed up again!

COACHES ARE THE

BEST

My son has been involved since it began and looks forward to each session. The coaches are amazing and keep the children engaged while they have fun learning the sport. Skills are presented in a developmentally appropriate manner which is appeals to the little players. Thank you for making lacrosse a fun and positive experience for my son!

**COACHES
ARE
FANTASTIC**

THEY ENGAGED WITH EACH CHILD AND MADE THE EXPERIENCE FUN. BY HIS 3RD SEASON, IT FINALLY CLICKED FOR HIM AND HE WAS ABLE TO SCOOP, PASS AND SHOOT AND NOW HE IS HOOKED. HE ASKS TO GO OUTSIDE ALMOST EVERYDAY TO SHOOT IN THE BACKYARD.

★ impressed ★

I just wanted to tell you how impressed I was with your program- after just one class! The coaches enthusiasm, the organization, the email you sent with a few pictures....was just all very impressive! Brian LOVED last weeks class and can't wait to come back! It's so wonderful to find a great program that is organized with great people as well!

WANTED TO SEND AN EMAIL TO THANK YOU

FOR MY DAUGHTER'S GREAT EXPERIENCE OVER THE YEARS

She has picked up the basic skills of the game, but more importantly she got up every Saturday and was excited to play the game.

She has had a few different coaches over the past few years, all are amazing coaches and do an exceptional job with the kids. We will be moving to the older youth program but I wanted to thank you for her experience.

WE ♥ THIS PROGRAM

The coaching staff does a great job of teaching the basics to such young kids. My 4-year old son learned how to hold the stick, scoop, and had a blast running around (and even scoring a few goals). He especially loved when the kids ran as a team and would chase the coaches. I would strongly recommend Lil Kids Lax to any parent who is looking to get their kid into lacrosse

THANK -YOU

well organized and a great program

No Better Way

TO INTRODUCE YOUR LITTLE ONE TO LACROSSE

THIS PROGRAM ENCOURAGES YOUR CHILD TO

LEARN AT THEIR OWN PACE IN A VERY SUPPORTIVE ENVIRONMENT. I FOUND THE ACTIVITIES TO BE BOTH ENGAGING AND AGE

APPROPRIATE!
